This practitioner does not hold any additional health related degrees.

Professional and Postgraduate Training

This practitioner has not completed any graduate medical education.

Academic Appointments

Graduate Medical Education

This practitioner has not had the responsibility for graduate medical education within the last 10 years.

Academic Appointments

This practitioner does not currently hold faculty appointments at any medical/health related institutions of higher learning.

Specialty Certification

Specialty Certification

This practitioner does not hold any certifications from specialty boards recognized by the Florida board which regulates the profession for which he/she is licensed.

Financial Responsibility

Financial Responsibility

I have hospital staff privileges and I have obtained and maintain an unexpired, irrevocable letter of credit, established pursuant to chapter 675 FS, in an amount not less than \$250,000 per claim, with a minimum aggregate availability of credit of not less than \$750,000. The letter of credit shall be payable to the osteopathic physician as beneficiary upon presentment of a final judgment indicating liability and awarding damages to be paid by the osteopathic physician or upon presentment of a settlement agreement signed by all parties to such agreement when such final judgment or settlement is a result of a claim arising out of the rendering of, or the failure to render, medical care and services. Such letter of credit shall be nonassignable and nontransferable. Such letter of credit shall be issued by any bank or savings association organized and existing under the laws of this state or any bank or savings association organized under the laws of the United States that has its principal place of business in this state or has a branch office which is authorized under the laws of this state or of the United States to receive deposits in this state OR I have hospital staff privileges and I have established and maintain an escrow account consisting of cash or assets eligible for deposit in accordance with s.625.52 FS in the per-claim amounts specified above.

Proceedings and Actions

Proceedings & Actions

Criminal Offenses

The criminal history information, if any exists, may be incomplete; federal criminal history information is not available to the public. Information is verified by the Department at the time of initial licensure and renewal.

This practitioner has indicated that he/she has no criminal offenses required to be published on this profile.

Medicaid Sanctions and Terminations

This practitioner has not been sanctioned or terminated for cause from the Medicaid program.

Final Disciplinary Actions Reported by the Department of Health within the last 10 years:

The information below is self reported by the practitioner.

Final disciplinary action taken by a specialty board within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a specialty board.

Final disciplinary action taken by a licensing agency within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

The following discipline has been reported as required under 456.041(5), F.S. within the previous 10 years.

Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.

This practitioner has indicated that he/she has *NEVER* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

Liability Claims Exceeding \$100,000.00 Within last 10 years.

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).

There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.
