

AILEEN M MARTY

License Number: ME47759

Profession	Medical Doctor
License Status	CLEAR/Active
Year Began Practicing	Not Provided
License Expiration Date	01/31/2026

General Information

Primary Practice Address

AILEEN M MARTY
885 SW 109TH AVE, #131
AHC-4 # 280
MIAMI, FL 33199

Medicaid

This practitioner does NOT participate in the Medicaid program.

Staff Privileges

This practitioner has not indicated any staff privileges.

Email Address

Please contact at: aileen.marty@fiu.edu

Other State Licenses

This practitioner has not indicated any additional state licensures.

Florida Birth-Related Neurological Injury Compensation Association

If you are a Florida Allopathic (MD) or Osteopathic (DO) Physician, you are required to provide proof of payment of the Florida Birth-Related Neurological Injury Compensation Association (NICA) assessment as required by section 766.314, Florida Statutes. Payment of the initial and annual assessment are required of all Florida Allopathic and Osteopathic Physicians who do not qualify for an exemption as set forth in section 766.314(4)(b)4, Florida Statutes.

This practitioner has indicated that he/she has submitted payment of the assessment.

Financial Responsibility

Financial Responsibility

Financial Exemption

Proceedings and Actions

Proceedings & Actions

Criminal Offenses

The criminal history information, if any exists, may be incomplete; federal criminal history information is not available to the public. Information is verified by the Department at the time of initial licensure and renewal.

The practitioner did not provide this mandatory information.

Medicaid Sanctions and Terminations

This practitioner has not been sanctioned or terminated for cause from the Medicaid program.

Final Disciplinary Actions Reported by the Department of Health within the last 10 years:

The information below is self reported by the practitioner.

Final disciplinary action taken by a specialty board within the last 10 years:

The practitioner did not provide this mandatory information pertaining to final disciplinary action taken by a specialty board within the last 10 years

Final disciplinary action taken by a licensing agency within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

The following discipline has been reported as required under 456.041(5), F.S. within the previous 10 years.

Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.

This practitioner has indicated that he/she has *NEVER* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

Liability Claims Exceeding \$100,000.00 Within last 10 years.

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).

There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.
