Specialty Board	Certification	Date Certified
AMERICAN ACADEMY OF PAIN MEDICINE	AN - PAIN MANAGEMENT	01/01/1989
AMERICAN OSTEOPATHIC BOARD OF FAMILY PHY	FP - FAMILY PRACTICE	01/01/1979

Financial Responsibility

Financial Responsibility

I have decided not to carry malpractice insurance or otherwise demonstrate financial responsibility; however, I agree to satisfy any adverse judgments pursuant to the terms and conditions contained in s.459.0085(5)(g),FS.I understand that I shall be required to either post notice in the form of a sign prominently displayed in the reception area and clearly noticeable by all patients and provide a written statement to any person to whom medical services are being provided. Such sign and statement shall state that: Under Florida law, osteopathic physicians are generally required to carry medical malpractice insurance or otherwise demonstrate financial responsibility to cover potential claims for medical malpractice. YOUR OSTEOPATHIC PHYSICIAN HAS DECIDED NOT TO CARRY MEDICAL MALPRACTICE INSURANCE. This is permitted under Florida law subject to certain conditions. Florida law imposes strict penalties against noninsured osteopathic physicians who fail to satisfy adverse judgments arising from claims of medical malpractice. This notice is provided pursuant to Florida law.

Proceedings and Actions

Proceedings & Actions

Criminal Offenses

The criminal history information, if any exists, may be incomplete; federal criminal history information is not available to the public. Information is verified by the Department at the time of initial licensure and renewal.

This practitioner has indicated the following criminal offenses:

Description of Offense	Date	State or Jurisdiction	Under Appeal	Status	Date Of Corroboration
SCHEMETO DEFRAUD THE PUBLIC 18 U S C RELATED TO RESPONSIBI	02/12/2003	U S DISTRICT COURT DISTRICT OF NEW JERSEY	YES	CORROBORATED	
OFFERING GIVING OF A CORRUPT PAYMENT OF BENEFIT 18 U S C	01/01/2002	U S DISTRICT COURT DISTRICT OF NEW JERSEY	NO	CORROBORATED	

Medicaid Sanctions and Terminations

This practitioner has not been sanctioned or terminated for cause from the Medicaid program.

Final Disciplinary Actions Reported by the Department of Health within the last 10 years:

The information below is self reported by the practitioner.

Final disciplinary action taken by a specialty board within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a specialty board.

Final disciplinary action taken by a licensing agency within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

The following discipline has been reported as required under 456.041(5), F.S. within the previous 10 years.

Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.

This practitioner has indicated that he/she has *NEVER* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

Liability Claims Exceeding \$100,000.00 Within last 10 years.

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).

There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.
