S., from a surplus lines insurer as defined under s. 626.914(2), F. S., from a risk retention group as defined under s. 627.942, F.S., from the Joint Underwriting Association established under s. 627.351(4), F. S., or through a plan of self insurance as provided in s.627 .357, F.S.

Proceedings and Actions

Proceedings & Actions

Criminal Offenses

The criminal history information, if any exists, may be incomplete; federal criminal history information is not available to the public. Information is verified by the Department at the time of initial licensure and renewal.

This practitioner has indicated that he/she has no criminal offenses required to be published on this profile.

Medicaid Sanctions and Terminations

This practitioner has not been sanctioned or terminated for cause from the Medicaid program.

## Final Disciplinary Actions Reported by the Department of Health within the last 10 years:

The information below is self reported by the practitioner.

### Final disciplinary action taken by a specialty board within the last 10 years:

This practitioner has indicated that he/she has \*NOT\* had any final disciplinary action taken against him/her within the last 10 years by a specialty board.

### Final disciplinary action taken by a licensing agency within the last 10 years:

This practitioner has indicated that he/she has \*NOT\* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

### Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:

This practitioner has indicated that he/she has \*NOT\* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

The following discipline has been reported as required under 456.041(5), F.S. within the previous 10 years.

### Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.

This practitioner has indicated that he/she has \*NEVER\* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

### Liability Claims Exceeding \$100,000.00 Within last 10 years.

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

**Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).**

There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.
