This practitioner has not been sanctioned or terminated for cause from the Medicaid program.

Final Disciplinary Actions Reported by the Department of Health within the last 10 years:

The information below is self reported by the practitioner.

Final disciplinary action taken by a specialty board within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a specialty board.

Final disciplinary action taken by a licensing agency within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.
The following discipline has been reported as required under 456.041(5), F.S. within the previous 10 years.

Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.

This practitioner has indicated that he/she has *NEVER* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

Liability Claims Exceeding \$100,000.00 Within last 10 years.

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.
Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).
There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.
