**Final Disciplinary Actions Reported by the Department of Health within the last 10 years:**

The information below is self reported by the practitioner.

**Final disciplinary action taken by a specialty board within the last 10 years:**

This practitioner has indicated that he/she has \*NOT\* had any final disciplinary action taken against him/her within the last 10 years by a specialty board.

**Final disciplinary action taken by a licensing agency within the last 10 years:**

This practitioner has indicated that he/she has \*NOT\* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

**Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:**

This practitioner has indicated that he/she has \*NOT\* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

The following discipline has been reported as required under 456.041(5), F.S. within the previous 10 years.

**Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.**

This practitioner has indicated that he/she has \*NEVER\* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

**Liability Claims Exceeding \$100,000.00 Within last 10 years.**

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

**Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).**

There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.
