This practitioner has completed the following graduate medical education:

Program Name	Program Type	Specialty Area	Other Specialty Area	City	State or Country	Dates Attended From	Dates Attended To
UMDNJ	INTERNSHIP	GS - SURGERY		NEW BRUNSWICK	NEW JERSEY	07/01/1996	06/01/1997
UMDNJ/RWJH	RESIDENCY	AN - ANESTHESIOLOGY		NEW BRUNSWICK	NEW JERSEY	07/01/1997	06/01/2000
UNIVERSITY OF PENNSYLVANIA	FELLOWSHIP	AN - ANESTHESIOLOGY		PHILADELPHIA	PENNSYLVANIA	07/01/2000	06/01/2001

Academic Appointments

Graduate Medical Education

This practitioner has had the responsibility for graduate medical education within the last 10 years.

Academic Appointments

This practitioner does not currently hold faculty appointments at any medical/health related institutions of higher learning.

Specialty Certification

Specialty Certification

This practitioner holds the following certifications from specialty boards recognized by the Florida board which regulates the profession for which he/she is licensed:

Specialty Board	Certification	Date Certified
AMERICAN BOARD OF ANESTHESIOLOGY	AN - ANESTHESIOLOGY	04/27/2001

Financial Responsibility

Financial Responsibility

I have hospital staff privileges and I have professional liability coverage in an amount not less than \$250,000 per claim, with a minimum annual aggregate of not less than \$750,000 from an authorized insurer as defined under s. 624.09, F. S., from a surplus lines insurer as defined under s. 626.914(2), F. S., from a risk retention group as defined under s. 627.942, F.S., from the Joint Underwriting Association established under s. 627.351(4), F. S., or through a plan of self insurance as provided in s.627 .357, F.S.

Proceedings and Actions

Proceedings & Actions

Criminal Offenses

The criminal history information, if any exists, may be incomplete; federal criminal history information is not available to the public. Information is verified by the Department at the time of initial licensure and renewal.

This practitioner has indicated that he/she has no criminal offenses required to be published on this profile.

Medicaid Sanctions and Terminations

This practitioner has not been sanctioned or terminated for cause from the Medicaid program.

Final Disciplinary Actions Reported by the Department of Health within the last 10 years:

The information below is self reported by the practitioner.

Final disciplinary action taken by a specialty board within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a specialty board.

Final disciplinary action taken by a licensing agency within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a licensing agency.

Disciplinary action taken by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center within the last 10 years:

This practitioner has indicated that he/she has *NOT* had any final disciplinary action taken against him/her within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

Resignation from or non-renewal of medical staff membership or the restriction or revocation of staff privileges within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center in lieu of or in settlement of a pending disciplinary case related to competence or character.

This practitioner has indicated that he/she has *NEVER* been asked to or allowed to resign from or had any medical staff privileges restricted or revoked within the last 10 years by a health maintenance organization, pre-paid health clinic, nursing home, licensed hospital or ambulatory surgical center.

Liability Claims Exceeding \$100,000.00 Within last 10 years.

Settlement of a claim may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred.

Additional claims information may have been reported to the Department of Financial Services. To check their web site, please click [here](#).

There have not been any reported liability actions, which are required to be reported under section 456.049, F. S., within the previous 10 years.

Optional Information

Committees/Memberships

This practitioner has not indicated any committees on which they serve for any health entity with which they are affiliated.

Professional or Community Service Awards

This practitioner has not provided any professional or community service activities, honors, or awards.
